Two-sided space saver

Easy to place anywhere in the store, TectoDeck MD 3 e-Visio offers a massive display area for a modest footprint.

Changing demographics and busy lifestyles are shifting shopping habits. While grocery stores are getting smaller, choice is certainly not – on the contrary! Viessmann has responded to the convenience environment with TectoDeck MD 3 e-Visio, a two-sided space saver that combines two remote multi-decks into one compact cabinet. In contrast to a traditional back-to-back multideck set up, TectoDeck MD 3 e-Visio gives entirely new options for exploring unique store layouts and concepts. Its unique design saves up to 30% of floor space.

With a light see-through structure and modern looks, TectoDeck MD 3 e-Visio's 360° glass surface and depth of 1460 mm provide the largest possible total display area and a huge choice of options for a given space.

Lowering the life cycle costs

TectoDeck MD 3 e-Visio is up to 50% faster to install than a traditional, one-sided multi-deck and requires less plumbing. Viessmann's innovative patented e-ncore air curtain technology, all glass doors and EC fans mean that TectoDeck MD 3 e-Visio is energy efficient; superior temperature performance maintains optimal conditions and minimises food waste.

Choose TectoDeck MD 3 e-Visio for

- New e-ncore technology with patented air curtain
- Optimised usage of floor space
- Maximum product visibility
- More options for store layout planning
- 50% faster to install

Technical specifications

External length (mm)	1250, 2500
External height (mm)	2010, 2210
External depth (mm)	1460
Temperature range	+0 to +2 °C and +2 to +4 °C
Refrigerants	R404A, R744 (CO ₂)

TectoDeck MD 3 e-Visio 30-148-201

TectoDeck MD 3 e-Visio 30-148-221

Double glass doors

Standard equipment

- Patented air curtain technology
- Evaporator and expansion valve for R404A and R744 (CO₂)
- ESM fans
- Double glass doors
- Defrost water outlet pipe in the cabinet length, external diameter 40mm
- Canopy lighting, T5 tubes
- Removable honeycomb
- Electrical box on top of the cabinet
- Easy evaporator access for maintenance work

Optional accessories

Acrylic front riser

Grid divider for bottom shelf

Hook rail with shelf

Acrylic divider for shelf

Corner cover

- Thermometer
- LED lights
- Shelf consoles 300-450mm, three different positions 0°, 10°, 20°
- Expansion valve for other refrigerants
- Shelf lights
- Defrost heater
- Partition end panel
- Multiplexing kit
- Holders, dividers, hooks
- Adaptive control kit
- Ticket strip holder
- Bumper trim for end panel
- Corner covers

Benefits

TectoDeck MD 3 e-Visio maximises product visibility in the centre of the store and brings products closer to the customers.

- 1 New patented air curtain
- 2 30% less floor space needed
- 3 360° glass surface for maximum product visibility
- 4 New store layout options
- 5 50% less time needed for installation
